

Charging Holder with Key Lock and Hard-Wired

Part #736100

\$139.99

This cradle is designed to fit the Kyocera DuraForce Pro2 and keep it secured in the cradle with a key lock.

The cradle features a USB-C charging connection that keeps the DuraForce Pro2 charged while docked. This cradle has a hard-wired power supply that can be connected to the 12/24V power system found in most vehicles.

The included tilt-swivel allows the cradle to be rotated and angled up to 15 degrees to improve the viewing of the device while in the cradle. This cradle has the AMPS hole pattern for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts or handlebar mounts.

Features

Custom fit cradle for your phone without a case includes a built-in charging cord.

- **Custom fit:** Only for the bare device
- **Key Lock:** Secures the device in the cradle.
- **Includes tilt-swivel:** Angle cradle 15 degrees any direction
- **Built-in cord:** Charging cable with Hard-Wired Power Supply
