Product Overview

This printer mount kit provides all the necessary components to easily mount and charge your QLN or ZQ printer.

The Quick Release Power Dock combines a electrical connection with the convenience of quick release. It uses the power supply that comes with your QLN or ZQ printer.

The included 5 inch mount allows you position the printer at virtually any angle to ensure it's easy to reach for loading paper, or moving to another workstation.

Standard website promos do not apply to this item.

Features

- Charging Printer Mount Kit provides all the components needed to conveniently mount the printer.
- Included Quick Release Power Dock allows printer to be secured and charged without losing the ability to quickly move it.
- Features the AMPS pattern compatible with many common forklift mounts, ball mounts, and more.
- Made of high grade plastics and Aluminum
- Designed and manufactured in Sweden
