Product Overview

If you are using a handheld radio with a belt clip or button on the back of the device, you can conveniently mount it in your car using the Universal Handheld Radio Holder. The smaller version V-slot is designed to hold devices with a button on the backside. The larger version V-slot is designed for a larger belt clip to attach and slide through for a secure hold. Easily slide your handheld radio in and out on the trails and keep your device safely at hand during any off-road adventure.

Features

- Can hold handheld radios, two-way radios, walkie talkies, CB mics and more
- Small handheld radio holder can fit device with a button on the backside
- Can be attached to any ProClip vehicle mounting bracket

Specifications

- Inner dimensions: 31 x 50 x 6 mm (1.2 x 2 x 0.24 in)
- Outer dimensions: 50 x 50 x 8 mm (2 x 2 x 0.3 in)
