Product Overview

If you want to have two devices attached above each other, this is what you are looking for. The Vertical Extension Plate attaches to the ProClip Vehicle Mount or Tilt-Swivel directly. It has the AMPS hole pattern. The Vertical Extension Plate is primarily designed for use with one smaller (horizontal) device and one standard size (vertical) device. It is recommended to put the smaller/horizontal device on the bottom.

Features

- **Not for use with two phone holders**
- Keep two devices vertically one above the other on the same mount
- Keeps your devices upright for better reception
- Can be mounted directly to a vehicle mount or to a Tilt-Swivel adapter

Specifications

Dimensions: 155 x 50 x 5 mm (6.10 x 1.97 x 0.19 in)
