

## Monitor Mount for Vertical Slot Attachment

Part #213032

**\$39.99**

For use with all monitors that have a vertical slot in back. The Monitor slides down onto the mount. The upper bolt on the mount is a steering pin and the the other screw is inside of the vertical slot in the Monitor. When the monitor is fully slid down onto the mount the thumb screw is tightened and the Monitor is securely attached.

### Features
