

## ProClip Heavy-Duty Adjustable Headrest Mounting Base - Medium

Part #811020

\$79.99

This high-quality headrest mount base serves as a mounting platform for a custom ProClip tablet holder.

**The Safest Headrest Mount:** Our headrest mounts have been extensively tested and passed safety parameters including front and rear impact testing. They are the safest choice if you want to use your tablet as a rear seat entertainment device.

**Installation is Quick and Easy:** The headrest mount clamps around the headrest posts and the face plate has pre-drilled holes which makes the attachment of a tablet holder easy.

**Device Holder NOT included, sold separately.** Once you choose this part you will need to choose a Custom Tablet Holder.

**Need a Larger or Smaller Mounting Base:** See related products if this mount does not fit your vehicle's headrest posts.
