

ProClip Heavy-Duty Adjustable Headrest Mounting Base - Medium

Part #811020

\$114.99

This high-quality headrest mount base serves as a mounting platform for a custom ProClip tablet holder.

The Safest Headrest Mount: Our headrest mounts have been extensively tested and passed safety parameters including front and rear impact testing. They are the safest choice if you want to use your tablet as a rear seat entertainment device.

Installation is Quick and Easy: The headrest mount clamps around the headrest posts and the face plate has pre-drilled holes which makes the attachment of a tablet holder easy.

Device Holder NOT included, sold separately. Once you choose this part you will need to choose a Custom Tablet Holder.

Need a Larger or Smaller Mounting Base: See related products if this mount does not fit your vehicle's headrest posts.

Features

- Clamps on headrest posts: Fits posts from 4.75 In. to 7.19 In. apart. (123 to 183 mm)

Specifications

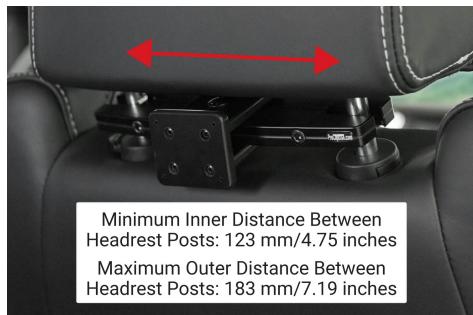

- Minimum inner length - 4.75 inches (123 mm)
- Maximum outer length - 7.19 inches (183 mm)
