Product Overview

This high-quality headrest mount base serves as a mounting platform for a custom ProClip tablet holder.

The Safest Headrest Mount: Our headrest mounts have been extensively tested and passed safety parameters including front and rear impact testing. They are the safest choice if you want to use your tablet as a rear seat entertainment device.

Installation is Quick and Easy: The headrest mount clamps around the headrest posts and the face plate has pre-drilled holes which makes the attachment of a tablet holder easy.

Device Holder NOT included, sold separately. Once you choose this part you will need to choose a [Custom Tablet Holder](#).

Need a Larger or Smaller Mounting Base: See related products if this mount does not fit your vehicle's headrest posts.
