

ProClip Heavy-Duty Adjustable Headrest Mounting Base - Large

Part #811030

\$79.99

This high-quality headrest mount base serves as a mounting platform for a custom ProClip tablet holder.

The Safest Headrest Mount: Our headrest mounts have been extensively tested and passed safety parameters including front and rear impact testing. They are the safest choice if you want to use your tablet as a rear seat entertainment device.

Installation is quick and easy: The headrest mount clamps around the headrest posts and the face plate has pre-drilled holes which makes the attachment of a tablet holder easy.

Device Holder NOT included, sold separately. Once you choose this part you will need to choose a Custom Tablet Holder.

Need a Smaller Mounting Base: See related products if this mount does not fit your vehicle's headrest posts.

Features

- Provides a heavy-duty mounting base designed for custom tablet holders
- Clamps around the headrest posts for a secure hold (minimum inner space: 5.88 inches (151 mm) and maximum outer length is 8.25 inches (211 mm))

Specifications

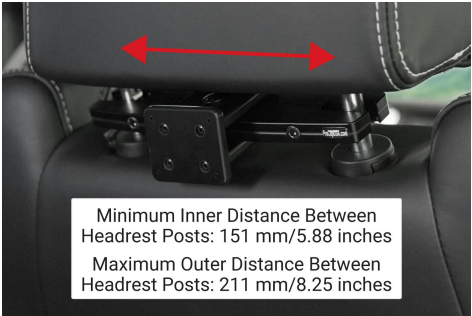

- Minimum inner length - 5.88 inches (151 mm)
