Product Overview

The Locking Move Clip is a quick release solution for ProClip device holders. It attaches to a ProClip Vehicle Mount or AMPS mounting platform. If you use multiple devices or have multiple drivers sharing a vehicle the Locking Move Clip may be for you. It allows you to easily switch between multiple device holders. On top of the Locking Move Clip there is a tab that keeps the holder securely in place. By pressing on the tab you can easily remove the holder.

Features

- Attaches to ProClip Vehicle Mounts or AMPS mounting platform
- Quick release tab allows you to switch device holders without changing the vehicle mount
- Fits all ProClip Device Holders with Tilt-Swivel
