

Super-Duty Square Base

Part #215516

\$54.99

This Pedestal Mount AMPS Base adds a mounting platform to a Pedestal Mount Extension Rod. It offers an AMPS hole pattern for securing device holders and attaching to other surfaces.

The Pedestal Mount AMPS Base has teeth for interlocking joints providing a very strong connection that can withstand a lot of weight. It is made of aluminum.

The Pedestal Mount AMPS Base adds an additional 1" / 25mm length to a Pedestal Mount Extension Rod.

The Base can be angled in steps of 24 degrees, up to a maximum of 192 degrees (8 different positions).

Creates an extra sturdy and secure mounting platform that can be used air crafts, boats and a variety of vehicles e.g. personal vehicles, commercial vehicles, emergency vehicles, police vehicles, trucks, tractors, fork lifts and RVs. Additionally, the Pedestal Mount Extension Rod can be used with mounts in retail stores, kiosks, gyms, conference rooms, trade shows etc.

Features

This Pedestal Mount base adds a mounting platform to a Pedestal Mount Extension Rod. It offers an AMPS hole pattern for securing device holders and attaching to other surfaces. The base has teeth for interlocking joints providing a very strong connection. It is made of aluminum, a material which provides extremely strong and durable products of low weight.
