Product Overview

This high quality Swedish made Headrest Mount for Rear Seat Entertainment is car specific and serves as a mounting platform. The headrest mount has been extensively tested and passed safety parameters including front and rear impact testing. The installation is quick and easy. The headrest mount clamps around the headrest posts. The faceplate has pre-drilled holes which makes the attachment of a holder easier. The holder is sold separately.

Features

- Provides the perfect platform for your device in the rear seat
- Clamps around the headrest posts
- Average installation time is 5 minutes
