

6.5 In. Hollow Core Pedestal with Swiveling Top

Part #215573

\$234.99

This 6.5 In. Swiveling Hollow Core Pedestal Mount is strong, lightweight, and designed for discreet cable entry through the mount to the device, while providing rotational functionality—perfect for retail counters with multi-user access.

Strong and Secure - The aluminum construction supports heavy devices, while the 6-hole round base allows you to secure the mount to any flat surface. This mount can also be attached to our larger Round Mounting Plate for additional base support.

Cord Concealing - The hollow core measures 0.75" in diameter, allowing you to discreetly run cables/cords from under your flat surface to the device.

Effortless 340° Swiveling - Easily rotate your device up to 340°, allowing for multi-user access.

Custom Viewing Angle - Combine this mount with any Angled Top Head (sold separately) to create the perfect custom mount for your needs.
