Product Overview

This high quality Swedish made Headrest Mount for Rear Seat Entertainment is car specific and serves as a mounting platform. The headrest mount has been extensively tested and passed safety parameters including front and rear impact testing. It is the safest choice if you want to use your tablet as a rear seat entertainment device. The back seat passengers can easily watch a video or play games. With quick and easy installation the mount clamps around the vehicle's headrest posts. Device holder sold separately.
