

Heavy-Duty Round Base #1

Part #215849

\$49.99

This Pedestal Mount AMPS Base is a durable and strong mounting platform that can be used in a variety of applications. The AMPS hole pattern allows for easy attachment of device holders and other surfaces. The interlocking joints provide a very secure connection, and the aluminum material ensures that the product is both strong and lightweight. The Pedestal Mount AMPS Base adds 1In. (25mm) to the Pedestal Mount Extension Rod, creating a sturdy and secure platform. In addition, the Pedestal Mount Extension Rod can be used in retail stores, kiosks, gyms, conference rooms, trade shows, and more. With a Pedestal Mount AMPS Base and a heavy duty Pedestal Mount Extension Rod, you can mount a wide variety of products such as tablets, mobile computers/scanning devices, payment terminals, two-way radios, navigation units, rugged PDAs, printers, and mobile phones.
