

Heavy-Duty Square Base

Part #215850

\$49.99

This Pedestal Mount AMPS Base adds a mounting platform to a Pedestal Mount Extension Rod. It offers an AMPS hole pattern for securing device holders and attaching to other surfaces.

The Mount has teeth for interlocking joints providing a very strong connection. It is made of aluminum.

The Pedestal Mount AMPS Base adds an additional 1in (25mm) length to a Pedestal Mount Extension Rod.

Creates an extra sturdy and secure mounting platform that can be used air crafts, boats and a variety of vehicles e.g. personal vehicles, commercial vehicles, emergency vehicles, police vehicles, trucks, tractors, fork lifts and RVs. Additionally, the Extension Rod can be used with mounts in retail stores, kiosks, gyms, conference rooms, trade shows etc.

A Pedestal Mount AMPS Base along with our heavy duty Pedestal Mount Extension Rods allow you to mount a wide variety of products such as tablets, mobile computers/scanning devices, payment terminals, two-way radios, navigation un
