## Product Overview

Always keep your battery charged with this high quality Swedish made Two-way Radio Vehicle Charging Cradle. It is custom made with a cigarette lighter cable permanently attached to it creating a dock type connection. It provides rapid and trickle charging. The battery can be charged separately in the cradle (without the radio). The cradle has a LED indicator to show charging status. It works in 12 and 24 volt vehicles. The cradle can be used in personal vehicles, commercial vehicles, emergency vehicles, utility vehicles etc., and mounts to any flat surface, console wall or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts.
