

11 Inch Universal Suction Cup Mount

Part #202012

\$59.99

This Pedestal Mount can angle, tilt, swivel and extend your holder/device for a better viewing position. This mount swivels 360 degrees horizontally and vertically. It extends 11 in / 280 mm and can be attached to any smooth flat surface. The face plate has an AMPS hole pattern to accommodate most holders, cradles, mounts and car kits.

This product is designed to support attached devices with up to 25 lbs. of force. This means it will support approximately 4 lbs. of equipment with the normal vibrations and bumps that occur in daily driving on the road. To ensure that the weight of the device combined with the cradle or holder does not exceed the 4 lbs., we recommend that tablets, phones or other devices be no larger than an 8-inch screen.
