

Standard-Duty Universal Suction Cup Mount - 6" with 0.75" Ball

Part #202017

\$54.99

This Suction Cup Pedestal Mount can angle, tilt, swivel and extend your holder/device for optimum use and viewing.

Perfect Viewing Angles - This mount swivels 360 degrees horizontally and vertically, and extends 6.3 inches/ 160 mm.

Strong Vacuum Hold - The lever-activated vacuum suction provides a strong, secure hold on any smooth, flat surface. Perfect for industrial use. The face plate has an AMPS hole pattern to accommodate most holders, cradles, mounts and car kits.

Strong Device Holding Strength - This product is designed to support attached devices with up to 25 lbs. of force. This means it will support approximately 4 lbs. of equipment with the normal vibrations and bumps that occur in daily driving on the road. To ensure that the weight of the device combined with the cradle or holder does not exceed the 4 lbs., we recommend that tablets, phones or other devices be no larger than an 8-inch screen.

Features

- Strong construction supports up to 25 lbs. of force
- Supports equipment up to 4 lbs. in vehicles and 2.5 lbs. in forklifts/off-road use
- 0.75" ball joints allow for 360° positioning
- Dual wingnuts for easy adjustments
- Lever-activated vacuum for strong suction hold

Standard website promos do not apply to this item.
