

## Left Pillar Mount for Kia Rio

Part #805331

**\$44.99**

This ProClip Vehicle Left Mount is a custom made car specific mount. The mount attaches on the left side of the steering wheel and the face plate is angled towards the driver for optimal viewing. It provides the perfect mounting platform for your phone, GPS, tablet, or other device in the car so you stay safe and hands-free while driving. The ProClip Left Dash Mount is a very sturdy mounting bracket that clips tightly into the seams of the dashboard. No drilling holes or dismantling of the dashboard is required, simply clip on in seconds.

**Device Holder NOT included, sold separately.**

**Notice:** Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

### Features

- Convenient left-side phone or GPS mount location.
- Secure fit. No flimsy vent clips or bulky suction cups.
- Easily installed with no drilling required.
- High-quality and designed specifically for your vehicle.
