Product Overview

This 8 inch Pedestal Mount has teeth within the interlocking joints providing a very strong connection that can withstand a lot of weight. It is made of aluminum. The Pedestal Mount provides an extra sturdy and secure mounting platform that can be used air crafts, boats and a variety of vehicles e.g. personal vehicles, commercial vehicles, emergency vehicles, police vehicles, trucks, tractors, fork lifts and RVs. Additionally, the mount can be used in retail stores, kiosks, gyms, conference rooms, trade shows etc.

With our heavy duty pedestals you can mount a wide variety of products such as tablets, mobile computers/scanning devices, payment terminals, two-way radios, navigation units, rugged PDAs, printers, and mobile phones.

The pedestal mounts come in 2 inch, 4 inch, 6 inch, 8 inch, and 10 inch heights with and AMPS base and top. Pedestals can be purchased in complete sets or as individual pieces.
