## Product Overview

This product is designed to provide swiveling arm that allows you to quickly and easily position the arm and attached device for best access and visibility.

The end of the arm features an VESA 75/100 offset plate to allow any monitor, holder or cradle to be directly attached.

The included clamp mount fastens to the corner or edge of any desk or work surface.

- Swiveling arm supports VESA 75/100 Mounting Pattern for monitors, holders and devices.
- Includes a padded clamp to attach to a desk or flat surface.
- High quality metal construction is strong enough for larger devices and monitors.

## Features

- Swiveling arm supports VESA 75/100 Mounting Pattern for monitors, holders and devices.
- Supports up to 17.5 Lbs.
- Includes a padded clamp to attach to a desk or flat surface.
- High quality metal construction is strong enough for larger devices and monitors.
