Product Overview

These black cap screws and lock nuts are an effective way to attach any ProClip device holder directly to the base plate of any one of our Universal Duty or Heavy Duty Pedestal Mounts.

The low profile head fits counter-sunk holes in cradles and holders to ensure a flush fit to the mount or pedestal used.

Features

These black cap screws and lock nuts are an effective way to attach any ProClip device holder directly to the base plate of any one of our Standard Duty or Heavy Duty Pedestal Mounts.
