Product Overview

This Pedestal Mount can angle, tilt, swivel and extend your holder/device for a better viewing position. This mount swivels 360 degrees horizontally and vertically. It extends 10.5 In. / 267 mm and fits standard vehicle cup holders. The face plate has an AMPS hole pattern to accommodate most holders, cradles, mounts and car kits.

This product is designed to support attached devices with up to 25 lbs. of force. This means it will support approximately 4 lbs. of equipment with the normal vibrations and bumps that occur in daily driving on the road. To ensure that the weight of the device combined with the cradle or holder does not exceed the 4 lbs., we recommend that tablets, phones or other devices be no larger than an 8 In. screen.

Features

- Strong construction supports 25 lbs. of vibration force
- Supports equipment up to 4 lbs. in vehicles and 2.5 lbs. in forklifts/off-road use
- 0.75 In. ball joints allow for 360° positioning
- Dual wingnuts for easy adjustments
- Fits standard vehicle cup holders
- AMPS hole pattern for device holders

Specifications

- Color: Black
- Material: Aluminum & Plastic
- Height above Surface: 205 mm (8.07 In.)
- Total length: 267 mm (10.51 In.)
- Fits standard vehicle cup holders
- Wingnuts for easy adjustment
- Supports 4 lbs. of equipment in vehicle
- Designed for 25 lbs. of vibration force
