## Product Overview

This ProClip Left mount is custom-made for Ford Ranger Wildtrak starting in 2016. (see compatibility tab for full list of years) The mount attaches to the driver's side A-Pillar. Combine with a ProClip device holder to make a custom mounting solution for your phone or GPS. The ProClip Left Mount clips tightly into the seams of the dash in seconds. No drilling holes or dismantling required.

**Device Holder NOT included, sold separately.**

**Notice:** Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

## Features

- Convenient left-side phone or GPS mount location
- Easy installation. Clips tightly into seams of the dashboard
- High-quality ABS plastic is built to last
- Pair with a ProClip device holder to create a full mounting solution for your phone, GPS, or other device
