

## Left Mount - Extra-Strength

Part #213553

\$54.99

This ProClip Left mount is custom-made for your vehicle starting in 2019. (see compatibility tab for full list of years and models) The mount attaches near the driver's side A-Pillar. Combine with a ProClip device holder to make a custom mounting solution for your phone or GPS. The ProClip Left Mount clips tightly into the seams of the dash in seconds. No drilling holes or dismantling required.

**Device Holder NOT included, sold separately.**

*Comes with a pre-drilled hole pattern for device attachment (might not be shown in photo). This is a suggested placement pattern only. A device holder can easily be attached anywhere on the face plate.*

**Notice:** Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

*Standard website promos do not apply to this item.*

## Features

This ProClip Left mount is custom-made for your vehicle. The mount attaches near the driver's side A-Pillar.

- **Left Mount:** For mounting a device to the left of the driver; most popular mount for GPS devices
- **No damage:** Fits into existing seams; no drilling or modifying required
