

# 10 In. Standard-Duty Pedestal Mount

Part #202020

\$89.99

This 10 In. Standard-Duty Pedestal Ball Mount is perfect for securely mounting small to medium-sized devices. It has the standardized AMPS hole patterns for easy attachment to most device cradles, holders and flat surfaces.

**Strong and Secure** - It supports devices up to 25 lbs. (or 4 lbs. with daily driving vibrations) and accommodates devices up to 8 inches. For forklifts and off-road use, it supports up to 2.5 lbs., accommodating devices up to 6 inches to prevent exceeding weight limits.

**Effortless 360° Adjustability** - The ball and wingnut mechanism provide 210° tilt and 360° swivel, ensuring secure holding and frequent docking without constant adjustments.

**Universal Mounting** - Mount it to any solid, flat surface, including vehicle dashboards, warehouse carts/racks, tabletops, forklifts, and more.

#### **Features**

- 0.75 In. ball joints allow for 360° positioning
- Industry-Standard AMPS base plates attach to any flat surface

#### Compatibility
