

Universal Fastener Pack

Part #100223

\$9.99

These low profile machine screw pack includes flat washers, lock washers and lock nuts. It can be used to secure a ProClip Holder or Tilt-Swivel Base to various mounts, threaded plates and more.

Each screw uses a low profile top to fit flush and not protrude out of the end of the holder.

Includes 3 lengths to ensure a perfect fit without excessive amounts of screw thread sticking out of the end.
