

Heavy-Duty 5 In. Rod with Swivel

Part #216162

\$89.99

The Heavy Duty Swivel Mount attaches to any ProClip Heavy Duty Forklift Mount or Pedestal with small teeth.

The swivel is 6.14 In. long, but only adds 5 In. of length to any existing pedestal it is added to.

This swivel rotates 360 degrees on the center section and includes a wingnut to quickly loosen and adjust or a locknut to keep it secured in the preferred position.

This swivel does not include any plates and is designed to be inserted into an existing forklift or heavy duty mount.

Features

- Pedestal Base NOT Included
- AMPS Compatible Mounting Plates
- Swiveling Center Section
- Adds 5 In. of Length to existing pedestals
- Fits ProClip Heavy-Duty Mounts and Forklift Mounts with Small Teeth
