

Heavy Duty Swivel Mount - M5 Round Bases

Part #216161

\$154.99

The Heavy Duty Swivel Mount attaches to any ProClip Heavy Duty Forklift Mount or Pedestal with small teeth.

The swivel is 7.4 inches long from the end of each plate when positioned in a straight line.

This swivel rotates 360 degrees on the center section and includes a wingnut to quickly loosen and adjust or a locknut to keep it secured in the preferred position.

The included round base plates fit M5 fasteners and are compatible with the AMPS hole pattern that is common to ProClip and other mount providers.

Features

- AMPS Compatible Mounting Plates
- 5MM Slots for M5 Fasteners
- Swiveling Center Section
- Total Length is 7.4 Inches
- Adjustable Top and Bottom Base
- Fits ProClip Heavy-Duty Mounts and Forklift Mounts with Small Teeth
