

## Hard-Wired Charging Cradle with for CipherLab RK95

Part #713223

**\$169.99**

This is a high quality custom made charging holder designed specifically to fit the CipherLab RK95. This is a high quality custom made holder designed specifically to fit the CipherLab RK95. It provides a safe and secure location for the device while the vehicle is moving. The included tilt-swivel allows the device to be positioned conveniently for viewing and use when needed.

This charging holder features a cigarette lighter adapter that plugs into the 12v port available in most vehicles. This lets the RK95 charge when docked.

The holder comes with the AMPS hole pattern for quick attachment to any flat surface, vehicle dashboard mounts, floor mounts, pedestal mounts or pipe mounts.
