## Product Overview

Perfect for use with all types of forklifts. It will keep everything in plain sight when you need it and out of the way when you don't. Attach a device holder to the included pedestal and you are all set to go.

This model features a plate with 5mm slots that will fit M5 fasteners in the AMPS hole pattern. This makes it a perfect fit for mounting existing devices with a 5MM hole pattern.

## Features

- Solid-core aluminum for exceptional strength
- Smaller teeth than our super-duty pedestals for more adjustment options
- The forklift mount can be mounted on square surfaces, perfect for forklift cages
- 5mm Slots for M5 Fasteners
- Includes M5 x 16mm Fasteners with Lock Washers
- Not compatible with ProClip Super-Duty pedestals

## Specifications

- Color: Black
- Material: Aluminum
- Pedestal has a 90 degree offset to allow more adjustment options
- Round base plates with multiple AMPS mounting positions
- Comes with complete set of screws in various sizes, allowing for the forklift mount to span from 130mm to 5mm
