## Product Overview

This tablet cradle fits the 10.1" size with Rugged Frame installed. It accommodates all configurations of Expansion Back accessories, including Barcode Scanner, Hand Strap, and Spare Battery. The scanner works through the docked scan window. The Key Lock block comes with a standard key and random keys can be requested for more security. The steel base plate has AMPS and 75mm VESA hole patterns, and additional holes for cable management. M4 fasteners are included. The modular design allows for easy upgrades and servicing.

## Features

- Fits the Tablet in the Rugged Frame with the 30-Pin Connector Installed
- Fits Expansion Back with Barcode Scanner
- Scanner Accessible While docked, Includes Key Lock, and More!
