Product Overview

Always keep your battery fully charged with this high quality custom made cradle. This charging cradle is custom made for a perfect fit for your bare device. It has a dock connector for easy connection of the device to and a USB-A Cable for plugging into a charging adapter.

The Swiveling Top Support provides a very secure hold on the device ensuring it cannot be shaken out of the cradle in even heavy vibration environments like forklifts and off-road vehicles.

The holder comes with the AMPS hole pattern for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, pedestal mounts or handlebar mounts. Easily slide your device in/out of the holder. No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle.
