Product Overview

This high quality custom made holder with a neat and discreet design keeps your device in an upright position for better reception. Easily slide your device into the holder then tilt or rotate for optimal viewing. This holder includes an integrated charger with a cord for hard-wiring to a permanent power source in the vehicle.

No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle. The holder comes with the AMPS hole pattern for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts or handlebar mounts.

Features

Custom fit holder for your Galaxy A32 without a case includes a built-in charging cord that is meant to be wired into your vehicle's power system.

- Built-in charging cord for hard-wired installation
- Custom fit for the bare phone only
- Easily dock/undock your phone with one hand
- Holder rotates and swivels for best viewing angles
