Product Overview

The Tesla Left Dash Mount is made specifically for your Model S/X (Plaid refresh) starting in 2021 (see compatibility for full list of years). The mount attaches to the left of the steering wheel. Combine with a ProClip device holder to make a complete mounting solution for your phone or GPS. The ProClip mount clips tightly into the seams of the dash in seconds. No drilling holes or dismantling required.

Notice: *Consider how the device, or horizontal position, will fit the location and could interfere with vehicle functions. Some larger devices may not fit.*

Device Holder NOT included, sold separately.

Features

- Convenient left-side phone or GPS mount location
- Easy installation. Clips tightly into seams of the dashboard
- High-quality ABS plastic is built to last
- Pair with a ProClip device holder to create a full mounting solution for your phone, GPS, or other device
