Product Overview

Simple. Solid. Secure. The Ford Bronco 1/4"-20 Heavy-Duty Dashboard Plate is made specifically for your Bronco starting in 2021. The mounting plate allows you to mount multiple devices in your Bronco, providing you two 1/4"-20 mounting points and/or three AMPS mounting points.

Easily attach a GoPro holder, pedestal mount, or more to the dashboard plate to maximize your adventure with your Ford Bronco.

Mobile device mounting options. To mount a driver-facing phone or GPS device, you will need a Universal Pedestal Mount (10" recommended) or an Angled Extension Plate PLUS your desired device-specific ProClip Holde

Features

- Strong construction, great for tablets and heavy devices
- Secure fit within easy reach
- High-quality construction is built to last
- Pair with a ProClip device holder to create a full mounting solution for your device
