

Angled Dash Mount for Nissan GTR

Part #855742

\$44.99

The Nissan GT-R Angled Dash Mount is made specifically for your GT-R starting from 2017 (see compatibility below for full list of years). This mount attaches to the right side of the center console. Combine with a ProClip device holder to make a complete mounting solution for your phone or GPS. The ProClip mount clips tightly into the seams of the dashboard in seconds. No drilling holes or dismantling required.

Device Holder NOT included, sold separately.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

Features

- **Angled Mount:** Keep your device out of the way, while still keeping it within reach
- **No damage:** Fits into existing seams; no drilling or modifying required
