

0.75 In. Steel Ball AMPS Plate

Part #100276

\$12.99

The steel plate includes a steel 0.75 In. (20mm) ball and M5 fastener holes in the AMPS pattern. This fits all ProClip Standard-Duty Pedestal arms and provides a more durable solution for customers who dock and undock the device excessively, or have a very high vibration environment.

Features

- 0.75 In. Steel Ball Works with Standard-Duty Pedestals
- Supports 4 lbs. of equipment in vehicle
- Supports 2.5 lbs. of equipment in forklift
- Designed for 25 lbs. of vibration force
- Includes Steel AMPS Plate (M5 Holes)
- Increase Durability for Excessive Docking/Undocking
- AMPS hole pattern for mounting
