

Center Dash Mount for Toyota Land Cruiser

Part #855706

\$44.99

The Land Cruiser Center Dash Mount is made specifically for your Toyota starting in 2008 (see compatibility tab for full list of years). The mount attaches right under the driver's side vent. Combine with a ProClip device holder to make a complete mounting solution for your phone or GPS. The ProClip mount clips tightly into the seams of the dash in seconds. No drilling holes or dismantling required.

Device Holder NOT included, sold separately.

Comes with a pre-drilled hole pattern for device attachment (might not be shown in photo). This is a suggested placement pattern only. A device holder can easily be attached anywhere on the face plate.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

Features

- Center location for optimal phone viewing and hands-free use
- Easy installation. Clips tightly into seams of the dashboard
- High-quality ABS plastic is built to last
- Pair with a ProClip device holder to create a full mounting solution for your phone, GPS, or other device
