

Standard-Duty Pedestal Mount 6.5" Inch or 5" Steel 20mm Ball AMPS Plates M5 AMPS Holes

Part #100407

\$54.99

This Pedestal Mount can angle, tilt, swivel and extend your holder/device for a better viewing position. This mount swivels 360 degrees horizontally and vertically. It extends 5 inches and can be attached to any flat surface. The face plate has an AMPS hole pattern to accommodate most holders, cradles, mounts and car kits. The 2 additional steel plates include a steel 20mm ball and M5 fastener holes in steel AMPS plates.

Vehicles on the Road

This product is designed to support attached devices with up to 25 lbs. of force. This means it will support approximately 4 lbs. of equipment with the normal vibrations and bumps that occur in daily driving on the road. To ensure that the weight of the device combined with the cradle, holder or Tough Sleeve® does not exceed the 4 lbs., we recommend that tablets, phones or other devices be no larger than an 8-inch screen.

Forklift Mounts and Off-Road Use

This product is designed to support attached devices w
