Product Overview

Faster charging – With up to 15 watts of charging speeds on supported devices, you can enjoy the convenience of faster wireless charging in your car with our Universal Wireless Charging Car Phone Cradle.

Charging speed is device dependent. iPhones will charge at a max of 7.5W.

Fits most phones – The adjustable arms and bottom support allow this universal holder to securely fit phones up to 3.27-inches wide.

Prevent phone drops – The cradle-style holder features adjustable arms and a bottom support that securely holds your phone in place for optimal wireless charging.

Better viewing angles – The Universal Wireless Charging Car Phone Cradle includes a tilt-swivel to provide optimal viewing angles toward the driver.
