Product Overview

Mount your phone or GPS in your truck with this exact-fit center dash mount designed specifically for your Chevy Silverado or GMC Sierra starting in 2022 (See below for full list of compatibility).

The mount attaches securely just above the center screen, putting your phone or GPS in a convenient location for **safe, hands-free use**.

Installation is easy. You'll have your mount snapped into place in minutes. You won't have to drill any holes, dismantle the dashboard, or worry about suction cups or adhesive tape ever again.

Attach a ProClip phone holder (sold separately) to this mounting base for the **most solid and secure phone mount** for your truck.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

Features

- Center location for optimal phone viewing and hands-free use
- Easy installation. Clips tightly into seams of the dashboard
- High-quality ABS plastic is built to last
- Pair with a ProClip device holder to create a full mounting solution for your phone, GPS, or other device
