

5-Bay Charging Station - Tab Active with OtterBox uniVERSE

Part #216184

\$534.99

The ProClip 5-Slot Desktop Charging Dock is designed to charge your Samsung Galaxy Tab Active tablet while using the OtterBox uniVERSE case. Both sizes of tablets can fit in any slot of the charging station without the need to change any components. The charging dock takes one single wall plug and converts it to the proper voltage to charge the tablets, eliminating excessive cords and prevents wear and tear on your tablets.

The charging dock includes a clasp that allows you to link multiple docks together to keep the docks neat and organized and prevent them from slipping apart over time.
