Product Overview

The Ford Bronco Left Dash Mount is made specifically for your Bronco starting in 2020 (see below for full list of years). The mount attaches to the left of the steering wheel. Combine with a ProClip device holder to make a complete mounting solution for your phone or GPS. The ProClip mount clips tightly into the seams of the dash in seconds. No drilling holes or dismantling required.

Notice: *Consider how the device, or horizontal position, will fit the location and could interfere with vehicle functions. Some larger devices may not fit.*

Device Holder NOT included, sold separately.

Features

- Convenient left-side phone or GPS mount location
- Easy installation. Clips tightly into seams of the dashboard
- High-quality ABS plastic is built to last
- Pair with a ProClip device holder to create a full mounting solution for your phone, GPS, or other device
