

Left Pillar Mount for Ford Bronco

Part #805784

\$44.99

The Ford Bronco Left Dash Mount is made specifically for your Bronco starting in 2020 (see below for full list of years). The mount attaches to the left of the steering wheel. Combine with a ProClip device holder to make a complete mounting solution for your phone or GPS. The ProClip mount clips tightly into the seams of the dash in seconds. No drilling holes or dismantling required.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with vehicle functions. Some larger devices may not fit.

Device Holder NOT included, sold separately.

Features

- Made specifically for for the Ford Bronco from **2021 - Current**
- Left Mount: For mounting a device to the left of the driver; most popular mount for GPS devices
- No damage:Fits into existing seams; no drilling or modifying required
