

Charging Cradle, Hard-Wired Power Supply for Zebra ET40 / ET45 (with Rugged Boot)

Part #713320

\$214.99

This cradle is custom fit to the Zebra ET40 / ET45 10" Tablet with the rugged boot.??The scanner can function through the scan window on the side of the cradle while docked and locked in place.

This cradle features a backplate with AMPS and VESA75 hole patterns for easy attachment.

The included Hard-Wired Power Supply can convert 12-48V input into 12V regulated output to keep the ET40 charged and power additional accessories.

This cradle is designed with a modular system that allows it to be easily upgraded and serviced without having to replace the entire cradle.
