

Right Console Mount for Lamborghini Urus

Part #835790

\$44.99

This ProClip Console mount is custom-made for your Lamborghini Urus starting in 2018 (See below for full list of compatibility). The mount attaches to the side of the center console. Combine with a ProClip device holder to make a custom mounting solution for your phone or GPS. The ProClip Console Mount clips tightly into the seams of the console in seconds. No drilling holes or dismantling required.

Device Holder NOT included, sold separately.

Comes with a pre-drilled hole pattern for device attachment (might not be shown in photo). This is a suggested placement pattern only. A device holder can easily be attached anywhere on the face plate.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

Features

- **Secure mounting base** for iPhone, Samsung, cell phones and GPS devices
- Keep your device down and out of the way; while still keeping it **within reach**
- **Easy installation** that clips tightly into the seams of your dashboard
