

Charging Cradle with Hard-Wired Power Supply for Zebra TC21/TC26 with Rugged Boot

Part #713338

\$149.99

This high-quality, custom-made charging holder is specifically designed to fit the Zebra TC21 and TC26 devices in their rugged boots. It ensures safer driving by providing a secure and convenient way to view, access, and operate your device while on the road. The holder features perfectly channeled grooves that allow you to easily slide your TC21/26 in and out.

Equipped with a cigarette lighter adapter, the holder plugs into the 12V port available in most vehicles, allowing your TC21/26 to charge while docked.

The holder also includes the AMPS hole pattern, enabling quick attachment to any flat surface, vehicle dashboard mounts, floor mounts, pedestal mounts, or pipe mounts.
