

Charging Cradle Without Power Supply for Sonim XP10

Part #216365

\$119.99

Say farewell to battery worries with our sleek device holder that keeps your gadget juiced on the go. This dynamic holder, perched on a nimble ball joint, swivels and tilts to banish pesky screen reflections. Just place your device, and charging starts effortlessly.

Upgrade hassle-free with our easy-switching system. No more tedious cable reinstallations! When switching devices or seeking maintenance, disconnect the charging cable with our Molex 6-pin quick connector, and plug in the new holder. Transformation takes seconds, freeing you to embrace new wonders.

Our holder, equipped with a lustrous ball joint, offers seamless adjustments for a captivating screen view. Portrait or landscape, enticing angles or 360° revolution, it effortlessly adapts. With a sleek black ABS/Acetal plastic design and a 42x50 mm mounting plate featuring a 4 mm AMP hole.
